28-29 November 2018

The Aphasiology Symposium of Australasia 2018 conference committee are pleased to announce the next ASA conference will be held on Queensland's Sunshine Coast from 28-29 November 2018. In the spirit of the superb location the theme of the conference will be: see change in practice. As such the conference committee welcomes researchers, clinicians and students to present formal and informal research projects. We will call for abstracts in February 2018 and free registration will open June 2018. It is a great time to plan a vacation to the Sunshine Coast as the ASA will be held straight after the Australian Aphasia Association National Conference on the 26-27 November 2018. More information on venue, registration and our program of inspirational keynote speakers will be coming soon! All conference email should be directed to aphasiologysymposium2018@gmail.com
